

# PVC Toddler Chair

## Supplies & Tools

- (7) 10" x 3/4" PVC thick-wall pipe
- (2) 6" x 3/4" PVC thick-wall pipe
- (4) 5" x 3/4" PVC thick-wall pipe
- (4) 4" x 3/4" PVC thick-wall pipe
- (8) Non-threaded 3/4" PVC 90 degree elbows
- (6) Non-threaded 3/4" PVC tees
- (1) 29 1/2" x 8 1/2" piece of shade cloth fabric
- Hacksaw or PVC pipe cutter

## Directions

### Create the Toddler Chair Cover

1. Fold each short end of fabric 2 1/2" from end of fabric.
2. Sew/secure raw edge of fold to main body of fabric to create sleeves.

### Create the Toddler Chair Frame

Assemble chair as indicated. Insert top and bottom sleeves of fabric as indicated. 100% acetone will remove PVC markings.
